

TECNOSERVIZI

Eco Design EXPO

Where design meets Renewable Energies and Emerging Technologies

ECO DESIGN EXPO and **PRODUCTION EXPO** on 7-9 APRIL 2011 at PIACENZA EXPO.
Congress and Trade SHOW OF INDUSTRIAL ELECTRONICS, SYSTEMS and MACHINES FOR ELETRONIC PRODUCTION, MACHINES and MECHATRONICS APPLICATIONS, PROCESS AUTOMATION, RENAWAREBLE ENERGIES, SAVING ENEGIES, BUILDING AUTOMATION.

The mission of Tecnoservizi SRL is to build and grown technical trade show in Italy.
ECO DESIGN EXPO and PRODUCTION EXPO are two events open to international customers and visitors (specifically from Germany and EST Europe).

LAYOUT AND SPACE (AREA)

- AREA AUTOMAZIONE di PROCESSO (PROCESS AUTOMATION)
- AREA BUS di CAMPO (FIELDBUS)
- AREA ENERGIE RINNOVABILI & RISPARMIO ENERGETICO (RENAWAREBLE ENERGIES AND SAVING ENERGIES)
- AREA AGRO ENERGIE (FARM ENERGIES)
- AREA BUILDING AUTOMATION
- AREA MACCHINE & MECCATRONICA (MACHINES and MECCATRONIC)
- AREA PRODUZIONE ELETTRONICA - PCB- SMT- LASER (ELECTRONIC PRODUCTION - PCB - SMT - LASER)
- AREA COMPONENTI ELETTRONICI (ELECTRONIC COMPONENTS)
- AREA COMPONENTI INDUSTRIALI (INDUSTRIAL COMPONENTS)

CONGRESS

- Congress about "Installation, Maintance Certification and Managing FV plants "
- Congress about "Industrial Safety"
- Congress about "Process Automation in ITALIY : Market and Trend"
- Congress about "Plants and Machines about electronic production : New trends in Italy and Europe"
- Congress about "Electronic Components : trend in Italy and Europe"
- COngress about "BIOGAS and gas plants"
- Seminari / WorkSHOP (more than 20 events are planned)

SPECIAL FORUM

- PV Panels FORUM Italian
- PV INVERTER market Forum

ADVERTISING

- More than 20 pages on italian magazine
- 5 presentation in soem town in Italy
- 60.000 companies will be invited
- 130.000 potential visitors will be invited.
